CLARIFICATION 1

Reference is being made to the above-mentioned Call for Quotations, for which the deadline for submission is on Monday 13th February 2017, at 12:00pm.

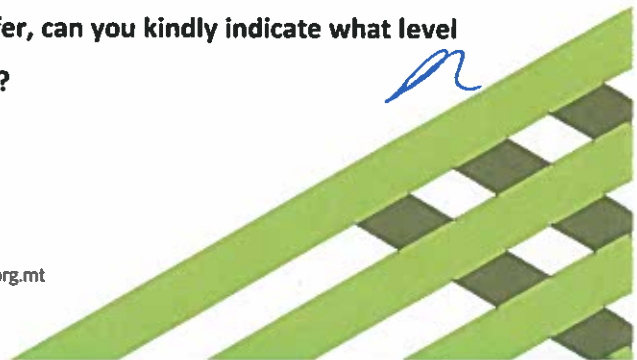

Hereunder, please find a set of clarifications and their respective reply which are construed to form an integral part of the call documentation.

Question 1: Section 4 'Quotation Format' of the Request for Quotations (Pg. 3 of 19) states that "Full specifications of items being offered and illustrated literature are to accompany the quotation". Can you kindly elaborate on this requirement?

Reply: The contractor is expected to provide details of the approach that will be undertaken to achieve the contract's objectives with particular reference to the literature that will be used in determining this approach and the policy requirements which need to be fulfilled.

Question 2: Apart from Section 3.2 of Appendix 1: Terms of Reference (last line of the last paragraph on page 8 of 19), there is no mention of a "technical offer". Can you kindly confirm the following:

- i) Does the contractor need to submit a technical offer or is the contractor only required to submit the forms as defined in Appendix II – VII?**
- ii) If the contractor is required to submit a technical offer, can you kindly indicate what level of detail is expected, and what sections are required?**

Reply: A technical offer is not required, although the contractor is required to indicate the total cost of the contract. Forms in Appendix II – VII must be filled in.

All other call documents, terms and conditions, which are not superseded by this clarification, shall remain in place.
